

Foamisuds

Dishwashing Detergent

Food Service

Benefits:

- Concentrated Formula
- Pleasant lemon-lime perfume
- pH neutral & solvent free
- Leaves dishes squeaky clean

Foamisuds is a completely biodegradable hand dishwashing detergent that has proven to be a popular, widely used and totally safe cleanser. It combines the rapid cleaning of all common food soils with stable suds and tremendous fat emulsification properties. Although **Foamisuds** was specifically designed for manual dishwashing it is also an excellent cleaner for the entire kitchen.

Foamisuds Offers:

- Rapid Total Cleaning - quickly cuts through grease, fat, eggs, gravies and other food residues. It works well in hot or cold water.
- Longer Lasting - each wash cleans more dishes, holds more suds for longer, works longer and rinses better.
- Economical - very little is needed to do an efficient cleaning operation.
- Pleasant to Use - the rapid cleaning action, high suds and pleasant feel make cleaning easier.

DIRECTIONS FOR USE:

Light Washing: use as little as 15 mls (1/2 pump) of FOAMISUDS per 10 litres of water

Normal Washing: use 30 mls (1 pump) of FOAMISUDS per 10 litres of water.

Heavy Washing: use 60 mls (2 pumps) of FOAMISUDS per 10 litres of water.

By using one of Whiteley's 30ml dispensing pumps which conveniently fits onto 5 litre bottles **Foamisuds** can be accurately dispensed into the wash.

Technical Advice: For further information refer to Whiteley's **How To Clean Kitchens** information located in the Industrial section of Whiteley's web-site, www.whiteley.com.au
