Whiteley Medical has the infection control and cleaning solutions required to create a safe and hygienic environment in Aged Care facilities. With the population now living longer there is an increasing number of elderly who need specialist attention in aged care facilities.

**Odour Control**

**FLOROGEN**
- Concentrated Air Freshener
  - Kills 99.9% of odour causing bacteria
  - Effectively deodorises for 3+ hrs or longer in some areas.
- Alcohol based surface and space deodorant.
- Available in four fragrances: original lavender, frangipani and strawberry.

**MR NOMARKS FABRISAN**
- Carpet and Upholstery Deodoriser
  - A revolutionary carpet and upholstery cleaner and deodoriser that contains a new pleasant fragrance that will eliminate almost any odour.
  - Fabric is effective in removing mould, spores and urine odours.
  - Fabric dries to a non-staining, non-toxic residue that can be easily vacuumed away.

**ODACON**
- Insecticide Spray
  - Highly efficient deodoriser for incinence and human excrement.
  - Eliminates a common cause of urine smell by neutralizing urine and fecal odours.
  - Significantly reduces offensive odours.

**Speedy Clean**
- Hospital Grade Neutral Detergent
  - Ideal for cleaning surfaces and equipment in the aged care environment.
  - Fast drying, leaving surfaces streak free.
  - Registered as a Class I Medical Device.
  - ARTG No: 125529.

**Speedy Clean Wipes**
- Hospital Grade Neutral Detergent Wipes
  - Easy to use wipes.
  - Fast drying, leaving surfaces streak free.
  - Registered as a Class I Medical Device.
  - ARTG No: 125529.

**ViraClean**
- Hospital Grade Disinfectant
  - Kills a broad range of pathogenic organisms.
  - Does not contain phenolics, chlorine or hydrogen peroxide.
  - Will not cause staining on fabrics or carpet.
  - Aust R: 5000.

**Surfex**
- Low Level Disinfectant
  - Surfex is proven to kill Clostridium difficile and spores*, Norovirus, Parvovirus and MRSA.
  - Surfex is available in 4.5L buckets for dilution in 1000L, bottles and 5L buckets for dilution in buckets.
  - For further information contact Whitley Corporation.

**Skin Care**

**BACTOL ALCOHOL GEL**
- Antibacterial Hand Rub
  - Sterile, alcohol based hand cleanser.
  - Contains natural emollients to replenish the skin’s natural lipids which are removed by alcohol. Leaves hands hygienic and soft, not greasy.
  - Contains tea tree oil as a natural preservative and is pH balanced to maintain skin integrity.
  - The rich moisturisers and emollients leaves skin cleansed and nourished.
  - Aust R: 134997.

**Handisan**
- Foam Hand Sanitizer
  - Non Flammable.
  - Kils 99.99% of germs.
  - Contains aloe vera, a biometric moisturiser which hydrates the skin leaving hands feeling soft, smooth and refreshed.
  - Ideal for use in areas with a high risk patients.

**Dermalux Natural**
- Hand and Body Wash
  - Specifically designed for sensitive and dry skin.
  - Ultra-comfotable, non-foaming, cream soap free from perfume, or dyes.
  - Contains tea tree oil as a natural preservative and is pH balanced to maintain skin integrity.
  - The rich moisturisers and emollients leaves skin cleansed and nourished.

**Dermalux Enrich**
3 in 1 Shampoo, Conditioner and Body Wash
- Deliciously fragranced.
- Contains synergistic moisturisers - lipids* biometric moisturiser and Beeswax to enhance skin integrity through increased hydration and reduced skin irritation.
- pH balanced, gentle on skin and hair.
- Available for use in both manual and automatic dispensers.

**Handy Hygiene Dispensers**
- Available in manual or Infrared (touchless).
- Smartlock technology.
- Optional dry tap available.
  - Email handyhygiene@whiteley.com.au for more information.

**Dermalux for everyday use**
- Ultra mild soap for hand and body washing
  - pH balanced to maintain skin integrity.
  - Delicious peach fragrance.
  - Ideal for people who wash their hands frequently.

**Dermalux Soft Towel Lotion**
- Superior Bed Bathing System
  - Mild, natural, organic lotion for cleansing skin.
  - Cleanses and refreshes skin whilst maintaining skin integrity without dryness or irritation.
  - Leaves skin feeling fresh, clean and invigorated.
  - Increases efficiency and productivity with carers and reduces costs through water and energy savings.
  - Significant OHS and benefits through reduced manual handling.
  - Increased resident privacy and comfort.
  - Promotes physical and mental relaxation.
  - Saves time over conventional bathing methods.

**Dermalux Cleansing Wipes**
- For Everyday Use
  - Dermalux Cleansing Wipes for Everyday Use are designed for use as a disposable patient wipe for hygiene purposes. Gentle on skin and contain natural emollients leaving skin feeling fresh and refreshed.
  - Dermalux Cleansing wipes complement the Dermalux Bed Bathing System.
  - Made from sustainable bamboo, Dermalux cleansing wipes are alcohol and paraben free.
  - Dermalux Wipes contain soothing Allantoin, pH balanced and soap free.
