

HAIR AND BODY WASH

Dermalux

Enrich

Dermalux Enrich 3-in-1 Shampoo, Conditioner and Body Wash is delicately fragranced, pH balanced and gentle on skin and hair. Dermalux Enrich contains synergistic moisturisers including Lipidure® biomimetic moisturiser and betaine to enhance skin integrity through increased hydration and reduced skin irritation. Biomimetic moisturisers replicate the skins natural ability to retain integrity, while betaine reduces transepidermal water loss, conditions hair and gives the skin a soft, smooth feeling.

Dermalux Enrich hair & body wash is ideal for use in Aged Care facilities where the importance of gentle effective skin cleansing is essential. Adequate moisturisation

is one of the most important factors in maintaining healthy skin in ageing or recuperating persons. Dermalux Enrich is a fundamental component of a positive skin health program and a natural complement to Dermalux Soft Towel Lotion Bed Bathing System.

DERMALUX ENRICH
is available in:

- 12x 500ml Product Code: 040116
- 6 x 1L Product Code: 040119
