

MEDIRINSE

RINSE AID

AUSTRALIAN MEDICAL DEVICE CLASS 1

ARTG No. 125529

BENEFITS:

- Rapid Water Dispersal
- Ensures faster drying of instruments
- Concentrated formula

MEDIRINSE is a liquid rinse aid designed as a water dispersant for use in clinical washer/disinfectors and laboratory automatic dish/instrument washing machines. The primary function of MEDIRINSE is to disperse the rinse water to ensure the rapid drying of instruments and utensils.

MAJOR ADVANTAGES:

- Guaranteed quality: Use of only highly efficient ingredients ensures consistent quality performance, free from rejects. MEDIRINSE produces fast spot and streak free drying of all washed articles.
- Consistent destaining: Excellent rinsibility gives the brightest possible results with less water spotting and streaks after heavy loads.
- Better machine performance: MEDIRINSE has an in-built protection mechanism which assures continuous trouble free machine operation with clean jets and less pump troubles.

DIRECTIONS FOR USE:

Medirinse should be used after the machine detergent (Medigleam, Sonex, Medineu Advanced, Genesis or Zen) has been through the cleaning cycle in a washer/disinfector or automatic washing machine. Medirinse should be dispensed through an automated system at 0.5 – 1.0 mL/L of water to minimise instrument or load drying times.

CHEMICAL COMPOSITION AND PROPERTIES:

Surfactant System:.....	Non-ionic
Colour (Concentrated):.....	Blue Liquid
Colour (Dilute solutions):.....	Colourless
Odour:.....	Odourless
pH (Concentrate):.....	7.0-8.0
Solubility:.....	Completely Soluble
Rinsibility:.....	Excellent, residue free
Specific Gravity:.....	1.006
Foam Properties:.....	Low foaming
Dangerous Goods Rating:.....	None
Shelf Life:.....	2 years

Medirinse - May2017 1

SAFETY DATA: Information is listed in the Safety Data Sheet.

PACK SIZE: 2x5 Litre
2x5 Litre wide neck
15 Litre

ENVIRONMENTAL STATEMENT:

Whiteley Corporation manufactures products that comply with Australian and International environmental policy. Whiteley Corporation aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Corporation products are supplied in 100% recyclable containers. Whiteley Corporation and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
