

RESOLVE

HEAVY DUTY DETERGENT & SANITISER

Benefits:

- **Approved for use in food establishments**
- **Cuts through grease and soil**
- **Does not contain any Butyl Solvents**
- **AQIS Approved**

RESOLVE is an alkaline detergent designed for use as a general purpose cleaner, degreaser and sanitiser. RESOLVE is approved for use in registered food preparation establishments.

RESOLVE is a water soluble cleaner-degreaser which rapidly emulsifies, suspends and removes all types of animal, vegetable and petroleum oils. It is also extremely efficient at removing greases and grime in industrial, commercial and food processing areas. RESOLVE being a non-flammable water based detergent makes the ideal replacement for solvent based cleaners/degreasers. RESOLVE does not impart any cleaning odours.

DIRECTIONS FOR USE:

PRODUCT USE	DILUTION RATIO	APPLICATION
Sanitising	50mL/L of water	Mop & Bucket/Spray Bottle (Rinse surfaces with potable water after use)
Spray & Wipe		
Heavy Soils	200mL/L of water	Spray Bottle
Normal Soils	50mL/L of water	Spray Bottle
Floor Cleaning	20mL/L of water	Mop & Bucket
High Pressure Washing	10mL/L of water	Pressure washer
Scrubbing Machines	20mL/L of water	Autoscrubber or slow speed polishing machine

Note: RESOLVE passes TGA option C at a dilution of 50mL/L of water.

SAFETY DATA:

For further information refer to the Material Safety Data Sheet (MSDS) located on the Whiteley Industrial website:

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley Industrial manufactures products that comply with Australian and International environmental policies. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
