

# RESOLVE RINSE FREE SANITISER

Resolve – Rinse Free Sanitiser is a dual quaternary based product with superior sanitising performance. This product is designed to be used as a final rinse sanitiser at the end of a standard cleaning program.

## Benefits:

- Superior performance with 5-minute contact time.
- Broad spectrum biocidal activity against both gram-positive and gram-negative organisms including *Staphylococcus aureus*, *Salmonella choleraesuis* and *Escherichia coli*.
- Rinse free formulation

## DIRECTIONS FOR USE:

**Concentrate must be diluted before use**

Make fresh solutions daily.

### FOR USE ON HARD, NON-POROUS SURFACES

Dilute this product to 1:20 (25mL/500mL). Thoroughly pre-clean food contacting surfaces (cutting boards, tables, benches, floors, processing equipment) prior to sanitising. Make up solution and apply to surface as a spray or with a cloth or sponge. The solution may be used with a mop for sanitising floors. Direct contact with prescribed goods (e.g., food) must be prevented. Leave solution in contact with surface for at least 5 minutes. Rinsing is not required, but excess liquid should be allowed to drain from food contacting surfaces.

## PRODUCT USE:

Resolve – Rinse Free Sanitiser is ideal for use as a final stage sanitiser on food processing equipment in:

- Hospitality establishments
- Food and beverage manufacturing
- Abattoirs
- Commercial kitchens
- Restaurant and café kitchens
- Coolrooms

**PACK SIZE:** 2x5L  
500mL empty bottle

**HEALTH AND SAFETY STATEMENT:**

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

**ENVIRONMENTAL STATEMENT:**

Whiteley manufactures products that comply with Australian and International environmental policy. Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers. Whiteley and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
