

SURFACE CLEAN

SPRAY AND WIPE

BENEFITS:

- Removes permanent markers
- Cuts through grease and soil
- Does not contain any butyl solvents
- Pleasant fragrance

SURFACE CLEAN is a multipurpose spray and wipe formulation specifically designed to remove difficult stains without the use of butyl solvents. SURFACE CLEAN exceeds the performance of competitive butyl cleaners. The high foaming detergent system used in SURFACE CLEAN assists in penetrating, removing and suspending difficult soils and stains. SURFACE CLEAN may be used in kitchens, offices, healthcare and industrial settings, schools, commercial buildings and many other areas.

SURFACE CLEAN is safe to use on most surfaces including, bench and counter tops, sinks and basins, stove tops, glass, porcelain, formica and stainless steel. SURFACE CLEAN is effective at removing permanent markers from desk tops in schools and other areas. SURFACE CLEAN also performs superbly as a concrete cleaner. The high foaming detergent system penetrates the porous concrete surface to lift and suspend ground in dirt and difficult to remove soils.

DIRECTIONS FOR USE:

PRODUCT USE	DILUTION RATE	APPLICATION
Spray & Wipe Permanent ink & heavy soils Normal soils	Use undiluted 200mL/Litre of water	Spray Bottle Spray Bottle
Concrete Cleaning Heavy Soils Normal Soils	50mL/Litre of water 25mL/Litre of water	Apply to floor and scrub with a brush Apply to floor and scrub with a brush

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley manufactures products that comply with Australian and International environmental policy. Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers. Whiteley and its staff are fully committed to ensuring that our environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
