

Moisturise, nourish & improve your overall skin hydration

Supports the skin's natural microbiome balance

Strengthens the skin's barrier function

Rich in vitamin E and antioxidants

Bactol® Moisturiser is designed to absorb quickly while softening and conditioning the skin. Bactol® Moisturiser is well-suited for environments like hospitals, where the skin is frequently subjected to stress from the use of alcohol-based sanitiser, harsh cleaning products, and the use of gloves.

Bactol® Moisturiser complements Whiteley's range of hand hygiene products which includes hand washes, sanitisers, and alcohol gels.

Bactol® Moisturiser is phosphate and lanolin-free. This formulation is made with 99% Natural sourced or derived ingredients.
